REFORMED CHURCH IN AMERICA
FOLLOWING CHRIST IN MISSION

Sisters Blessed

April 17, 2010

For surely, O LORD, you bless the righteous; you surround them with your favor as with a shield. Psalm 5:12

Classis of Ontario
Reformed Church in America

A women's conference about generational blessing.

About our speaker: Melissa Bone

Melissa Bone lives in Grimsby, Ontario with her husband, Terry, where they served as the Senior Pastoral Couple at Lakemount Worship Centre for over ten years.

In 1994, the Holy Spirit radically transformed Lakemount resulting in change for the entire leadership team and congregation: from brokenness and hurt, to healing and health.

Terry & Melissa now devote themselves to 'I.D. MINISTRIES' (Identity and Destiny), assisting leaders and congregations to achieve spiritual and emotional health through workshops, conferences and ministry consulting.

Melissa's passion is to see women raised up and released into their God-given destinies. Through preaching and teaching, plus a life commitment to mentoring the next generation, Melissa is being used by God to positively impact the lives of many women today.

She has been featured frequently on *100 Huntley St.* on the show 'Full Circle', dedicated especially to women's issues, and speaks often at seminars and retreats. She is the mother of three grown children, and a new grandmother to little Abby!

Our mission offering for Sisters -Blessed- will help fund Sister Share. Sister Share is a Reformed Church Women's Ministries project through which we can make a difference in the lives of women and children around the world.

Current Sister Share projects include:

- Blue Mango Café - a program which gives marginalized women in India a place to belong and become financially self-sufficient
- Break the Chains – a support ministry to victims of modern-day slavery

- Bluefields- a food program for children in Nicaragua
- Elisha House – pregnancy support services
- RECONCILE – workshops that help to heal women in the Sudan

For more information about Sister Share and making a donation to one of these exciting projects visit <http://www.rca.org/Page.aspx?pid=1949>
